Dear T-Bone and Heather,

The Calvert County Public Schools Community Mentorship Program would like to extend a huge thank you for your participation this year. Your willingness to volunteer your time and expertise to students is an invaluable part of this program and is truly appreciated beyond words.

As a "mentor" I hope you were able to gain some insight as to what the next generation of professionals has to offer to their particular field of choice. It can be such a rewarding experience to share wisdom to students who are truly hungry for knowledge.

Your kind participation awarded 43 students the opportunity this year to participate in the Community Mentorship Program. Thank you again.

Sincerely,

Susan Cross

Mock Interview Fair

To Ann Johnson <ajohnson@smcps.org>

Good Morning,

I want to take this opportunity to thank you for being a vital part of the Forrest Center's Mock Interview Fair this year. You are busy and this took time out of your day, but know that both the students and I very much appreciate your help. The students completed feedback forms about the Interview Fair and they had an overwhelmingly positive experience. Some of the comments I got from the students when asked "What would you do differently?" are as follows:

"Study up on the company"
"Dress better"
"Be more specific in my answers and give better examples"
"Speak up!"
"Slow down and breathe"

When asked "What did you learn from this experience?" they said:

"How competitive the job selection process is"
"Degrees and certifications are invaluable"
"That I need to research the company before so I have a good chance at getting the job and make sure to impress them"
"That I have to be more ready than I am, and that just a piece of paper like a high school diploma isn't going to cut it - I have to sell myself and present myself as the best candidate."

The students enjoyed the experience and I hope you did too. Next year we are planning to hold the Mock Interview Fair the week of March 19 - 23. I sincerely hope you will mark your calendar. I will be emailing you next year!

Again, Thank you so much.

Ann
